

JAVEA AWAY HASH 2020 LEAP YEAR WEEKEND

For your further delectation and utter delight, the combined mis-management of Madrid and Costa Blanca hashes have put their heads together and come up with a cunning wheeze of, what at first light, looks like some kind of plan. OK ... no points for originality but 10 out of 10 for sheer bloody-minded persistence. To that end we now provide you with advance information on our 2020 Vision of the perennial Javea Hash Weekend. So, Kleenex tissues at the ready and feel free to luxuriate, or whatever, over the following heads-up.

And as an added incentive to those Harriettes considering this event, think of all those single Harriers you could ask for their hand in marriage. We could name a few ... but we won't!

Costa Blanca H3 & Madrid H3
